Meeting Minutes

IV. Other Business

Fire Chief Bryan Johannes updated the commission on the ongoing hip tile replacement at Fire Station #1 in the wake of the lighting strike that occurred in June. Chief Johannes told commissioners the contractor was having trouble finding an exact replica of the hip tile that was damaged on the fire station's bell tower, but is seeking to find a close replica. Chief Johannes said he is trying to make the best, closest possible match to the original tile. Board members requested Johannes find as close a match as possible and to submit an application to the commission. Johannes hopes to have the project finished before the weather gets cold.
